

**Valuable  
Affordable  
Sustainable**

**Speakers  
include:**

**Green Cities is Australia's premier conference for sustainability in the built environment. A joint initiative of the Green Building Council of Australia and the Property Council of Australia, Green Cities 09 is shaping up to be bigger and better than ever.**

Green building innovators and decision makers will gather in Brisbane from 1-4 March, 2009 to explore new ideas in sustainable building, and launch new products and technologies.

Delegates will hear from renowned global green building experts and learn about the latest industry developments, techniques and strategies.

The outcomes generated at this event will ensure the Australian property industry has a valuable, affordable and sustainable future.

#### **Exhibitors**

Deliver your message to where it counts and exhibit your sustainability products, services, and solutions directly to your target market.

Offering value for money, the Green Cities 09 Expo will create a dynamic forum for you to showcase your latest sustainable initiatives and innovative products.

For information on Expo opportunities contact:

#### **Stephanie Brincat**

Green Building Council of Australia  
+61 2 8252 8222  
stephanie.brincat@gbca.org.au

#### **Rebecca Mooney**

Property Council of Australia  
+ 61 2 9033 1998  
RMooney@propertyoz.com.au

**Charles  
Lockwood**

Charles Lockwood is a green real estate authority and consultant with 20 years experience working for U.S. and international companies, advising corporations, building owners, and developers on green real estate issues, including the newest trends, challenges, and opportunities.

In today's difficult economy, Charles explains how "green" can quickly lower operating costs, attract and retain tenants, and protect and even enhance property values. He explains long-term green opportunities to guide investment decisions on properties, as well as new products and technologies.

**Ken  
Yeang**

Dr. Ken Yeang is an architect-planner, ecologist and author who is best known for his signature and innovative green buildings and masterplans. He is regarded as one of the foremost designers and a noted authority on ecologically-responsive architecture and planning.

Ken has pioneered the passive low-energy design of tall buildings, which he calls the 'bioclimatic skyscraper' and has received numerous awards for his work and designs that include the Aga Khan Award for Architecture, RAI International Award, Prinz Claus Award and UIA August Perret Award.

**Douglas  
Durst**

Douglas Durst is a member of the third generation to run The Durst Organization, one of New York City's most respected real estate developers, owners and management companies and one of the originators of the Green Building Movement.

Founded in 1915 by Douglas' grandfather Joseph Durst, The Durst Organization have been responsible over the last 95 years for transforming the skyline of midtown Manhattan. Today, The Durst Organization is building the Bank of America Tower at One Bryant Park, which will be the most environmentally advanced office tower in the world.

**The Honorable Paul Lucas MP** Deputy Premier of QLD and Minister for Infrastructure and Planning

## Registration information:

This form is printed on Edwards Dunlop ONYX paper stock. 25% archival materials, 25% shredded documents and 50% office waste, ONYX is 100% recycled and 100% Australian.

### Registration fees

Full registration fees include attendance at all conference sessions, morning and afternoon teas, luncheons, access to the expo, welcome reception and Grosvenor Gala Dinner (excludes Masterclasses and Building tours)

#### \*Early Bird Rate

(register before 16 January 2009)

Member	\$1,330
Non Member	\$1,660

#### Normal Rate

(register after 16 January 2009)

Member	\$1,495
Non Member	\$1,825

A 10% discount applies when five or more delegates are booked together as a group.

### Day Registration

Day registration fees include attendance at all conference sessions, morning and afternoon tea, luncheon, and access to the expo on the day of attendance. Tickets to the Masterclasses and social events can be purchased separately.

Member	\$770
Non Member	\$990

A percentage of your registration fee will go towards offsetting your carbon footprint created by your attendance at this conference.

### Fee payment

\*Early bird registrations must be paid prior to 16 January 2009 to remain eligible for the earlybird rate, otherwise they will be charged the full registration fee and an invoice will be raised for the full amount.

PLEASE NOTE: ALL Registration fees MUST be paid prior to 27 February 2009. After this date, registration must be made ON-SITE at the registration desk, with an additional \$220 late fee applicable.

Payment options are credit card and cheque. Registration fees paid by cheque must be made payable to the Property Council of Australia and forwarded to the event Secretariat. Do not pay by EFTPOS.

### Changed plans

No registration cancellations will be considered unless made in writing. Cancellations received prior to 23 January 2009 will incur a \$400 cancellation fee. Cancellations received after this date will receive NO REFUND.

As an alternative to cancellation, your registration may be transferred to another person without penalty. The Secretariat must be advised in writing of any transfers by 25 February 2009.

### What do I wear?

Dress to be comfortable. The "official" uniform is business casual. Monday evening's Grosvenor Gala Dinner is your chance to dress up and dance the night away. A lounge suit is appropriate attire for the evening.

### Accommodation

Accommodation has been reserved at a selection of Brisbane's hotels. Discounted rates are available when booking with your registration via the Secretariat. A credit card number MUST accompany registrations to secure your accommodation booking.

### Social Program

Please note your attendance/non-attendance at the social events on your registration form for catering purposes. Please note that tickets will only be issued to those who indicate their attendance via the registration form.

### Welcome Reception

Sunday 1 March 2009

6.00pm – 7.30pm

No charge for full conference registrants \$77 per person for day delegates and additional guests

### Grosvenor Gala Dinner

Monday 2 March 2009

7.00pm – 11.00pm

No charge for full conference registrants \$195 per person for day delegates and additional guests

5.00pm	Conference close		
7.00pm	Grosvenor Gala dinner		

## Day 3 / Masterclasses / Wednesday, March 4, 2009

**These specialist classes are for those who want to stay ahead of the pack in green building.**

**Light Up**  
Australia's lighting standards lag behind European best practice. Discover the latest in efficient, effective lighting technology and hear from international design experts.  
**Time:** 9.00am - 12.00pm (includes morning tea)

**Integrated Modeling**  
Learn how to minimise cost and maximise performance outcomes through integration.  
**Time:** 9.00am - 12.00pm (includes morning tea)

**Building blocks of sustainable design**  
Explore design strategies that deliver building performance and user comfort via advanced techniques in insulation, shading, and thermal and energy efficiency.  
**Time:** 9.00am - 12.00pm (includes morning tea)

**Green Star Accredited Professional course**  
This course provides an introduction to the Green Building Council of Australia and focuses on the content and application of its Green Star rating tools. It is a precursor to the Green Star Accredited Professional exam.  
**Time:** 8.30am - 1.00pm (includes morning tea)

**Facade Technologies**  
Discover the most effective systems to manage the elements and maximise efficiency in both new buildings and upgraded stock.  
**Time:** 2.00pm - 5.00pm (includes afternoon tea)

**Facilities Management for green buildings**  
Identify, manage and deliver green performance while balancing the interests of occupiers and landlords. Includes an overview of popular rating tools.  
**Time:** 2.00pm - 5.00pm (includes afternoon tea)

**Green Star project management**  
How to plug the Green Star rating tool into your project to deliver the best results. Learn how to communicate Green Star goals to your team and get documentation tips from the experts.  
**Time:** 2.00pm - 5.00pm (includes afternoon tea)

## Day 2 / Tuesday, March 3, 2009

8.00am Registration

9.00am Welcome: Campbell Newman, Lord Mayor of Brisbane

9.40am Keynote speaker: Douglas Durst, Durst Organization

10.30am Morning Tea

**11.15am Concurrent session 5A: green leaders**  
**Valuing green: what do the analysts want?**  
 This session explores the link between sustainability and investment. It examines whether investors are more willing to put their money into green corporations, and what can be done to shift investor sentiment.

**Concurrent session 5B: sustainability toolbox**  
**Management is the new green – re-living buildings**  
 Changing the industry's environmental footprint means tackling the issue of existing stock. This session examines key solutions for re-living buildings through refurbishments, tune-ups and management strategies.

**Case study session: Education**  
 A new breed of educational facility is appearing on the landscape. See how green building practices are being employed to create environmental, health and fiscal benefits to schools and universities across Australia  
 Bond University  
 Melbourne University  
 RMIT

12.30pm Luncheon

**2.00pm Concurrent session 6A: green leaders**  
**World Class Regulation?: The Good and Bad of Government sustainability policy**  
 The GBCA will launch its green building government policies report which outlines what the Federal, State and local government green building policies are and what is missing. What then will future government policy development in sustainability look like? Has it gone far enough or too far? Where should governments focus their efforts?

**Concurrent session 6B: sustainability toolbox**  
**Facilities management - the missing link**  
 New buildings are environmental thoroughbreds, but are we ensuring their ongoing green performance? This session explores the techniques and strategies used by building owners and operators to ensure ongoing efficiency.

**Case study session: Existing buildings, refurbishments & fit-outs**  
 See how some of Australia's leading green building developers and consultants are successfully transforming tired old building stock into desirable and efficient green space.  
 Stockland Fitout  
 39 Hunter St  
 101 Miller St

**2.45pm Concurrent session 7A: green leaders**  
**Low carbon buildings: how easy are they?**  
 Low carbon, zero carbon, negative carbon - are they truly achievable? This session looks at the property sector's sustainability solutions, passive and active, and whether they are really workable.

**Concurrent session 7B: sustainability toolbox**  
**Marketing green: tempting the tenants**  
 Occupiers declare they want green space, but are they willing to pay for it? This session examines tenant drivers and effective strategies for promoting green buildings to them.

3.30pm Afternoon Tea

**4.00pm Session 8**  
**The wrap**  
 Round-up of key points from both days by Peter Verwer, Chief Executive, Property Council of Australia.

5.00pm Conference close

\* The organisers reserve the right to make changes to the published program
