

Statement of Member Commitment

As a member of the Green Building Council of South Africa (GBCSA), we hereby agree to actively support and adhere to the Vision and Mission of the GBCSA and to contribute directly through our own organisation's activities, as set out below:

VISION

The GBCSA will lead the transformation of the South African property industry to ensure that all buildings are designed, built and operated in an environmentally sustainable way that will allow South Africans to work and live in healthy, efficient and productive environments.

MISSION

To promote, encourage and facilitate green building in the South African property and construction industry through market-based solutions, by:

- **Promoting** the practice of green building in the commercial property industry,
- Facilitating the implementation of green building practice by acting as a **resource centre**,
- Enabling the objective measurement of green building practices by developing and operating a **green building rating system**, and
- Improving the knowledge and skills base of green building in the industry by enabling and offering **training and education**.
