

Green Building Council Sponsorship

Opportunities exist for your organisation to associate itself with the set up of the Green Building Council by becoming a "Founding Member" sponsor – which will fund the organisation until "annuity" streams from membership fees, events, etc. are in place.

Founding Members are structured and recognised as follows:

- Platinum Founding Members (R500,000+)
- Gold Founding Members (R200,000+)
- Silver Founding Members (R100,000+)

The response from the property development industry has been fantastic thus far and we have already secured generous support from our Founding Members, listed below. However, the opportunity still exists to add your organisation to this movement.

Other high profile sponsorship opportunities are available from sponsoring a specific Green Star Rating Tool (commercial Office, Retail, Multi-Unit Residential etc) to an aspect of the Inaugural GBCSA Convention & Exhibition 2008, or our various educational and networking events.

For more information on these opportunities please visit <http://www.gbcsa.org.za/sponsorship/sponsor.php> or email info@gbcsa.org.za.
